 <p>The image shows the top of an Intel Core i5-3330 processor. The metal heat spreader is silver with black text. The text includes the Intel logo, 'i5-3330', 'INTEL® CORE™ i5-3330', 'SR0RQ 3.00GHZ', 'COSTA RICA', and '3338B821 (e4)'. The processor is mounted on a blue printed circuit board (PCB). At the bottom of the PCB, there is a small black label with the text 'www.wasp.kz'.</p>	MARCA: Intel
